EXTENDING THE ELEVATE RANGE

Introducing new products to the **Elevate range...**

Corner TV Cabinet & Small Sideboard

EXTENDING THE ELEVATE RANGE

As a result of the success of the Frank Olsen Elevate range, we will be introducing two more products to the range; a smaller, compact sideboard and corner TV Unit. (Both units are available in white and grey).

ELEVATE CORNER TV CABINET

ELEVATE SMALL SIDEBOARD

THE EXISTING ELEVATE RANGE

Since it's launch in November 2021, the Elevate range has been extremely successful. Extending the range to include two more pieces was the natural decision, to enhance the versatility and popularity of the range with consumers.

INTEGRATED INTELLIGENT FEATURES

The new products will offer all the SMART technology features of the existing Elevate range.

Wireless Charging integrated in small sideboard.
Intelligent Eye integrated in corner TV cabinet.
